

# Have You Dreamed of Making It In the Modeling Business?

**Don't Do ANYTHING Until You Read This Page!**

***Find Success in the Modeling Industry: A How-To Guide for Models***

If you've ever thought about being a model or if you already work in the modeling industry, there are many things you should know about finding success. There's no reason to go into this unprepared and yet so many models do.

- Do you know how to create an online presence for yourself?
- Do you know how to find a specialty niche of modeling that you fit into?
- Do you know how to treat modeling like a business instead of just a job?

Many models have come and gone before you who had the looks but didn't have the knowledge needed to truly make it in the business or at least not to live up to their full potential.

That is why we have created this step by step guide on how to become a legal, money-making entity in the modeling industry. We have a guide with the intent to assist any aspiring model with getting started in the business, what to avoid and what steps to take to be successful.

In this guide you will get:

- ✓ Introduction to modeling
- ✓ Steps to becoming a model
- ✓ Types of models and modeling
- ✓ Do you have what it takes?
- ✓ Creating a presence
- ✓ Finding work in modeling

- ✓ Model terms to know

## **No model or would-be model should go into the business unprepared...**

However, there are people in this industry who will try to take advantage of you and others who just want to see you fall.

You will learn about the steps of becoming a model such as:

1. Decide that you want to be a model.
2. Determine why you want to be a model.
3. Determine what type of model you want to be.
4. Learn as much as possible about the industry.
5. Gather the tools needed to be successful.
6. Market yourself in the industry.
7. Choose carefully who you work with.
8. Create a presence so potential clients can find you.
9. Begin doing shows and shoots.
10. Build your portfolio.
